CARTE POSTALE. POSTKARTE.

By Appointment.

The Return from the Hunt. Returning from the sandy lands is a triumphant party preceded by the hounds that have come alive out of the tiger hunt. The royal beast himself, for long a haunter of the Atlas Mountains, lies across the elephant's saddle, and the winner of his beautiful striped pelt rides behind on a supercilious camel. To-night among the kous-kous and sweetmeats there will be tiger's heart for supper.
